

Try-It Store Begins 9th Anniversary Sale

By **JERRY MARKS**
Press Business Editor

More than 30,000 square feet of selling floor space, housing a wide line of soft goods ranging from children's wear to ladies attire, hardware, shoes, carpeting, sport-ing goods, patio equipment, do-it-yourself materials, fur-niture and appliances, will be devoted to merchandise priced for immediate sale during Try-It Emporium's spectacular ninth anniversary celebration which begins to-day, it was announced by Sid Goldman and Irv Wiener, proprietors of the established firm located at 23027-33 S. Avalon Blvd., in Wilmington.

The owners also jointly announced that one dollar will hold any item in the store.

Goldman, who has a second Try-It store in Compton, came to the Wilmington area about ten years ago and started in business with just a few hundred dollars. Along with his partner Wiener, the thirty-five year old executive bought New York and Chicago buying and selling methods to California. "By buying in large volumes throughout the country I found I could give the housewife of this area low prices for quality merchandise," Goldman said.

During the two week festivities drawings for valuable gifts will be held. Balloons and favors will be given to the children when accompanied by their parents or parent.

Wiener, who heads the furniture and appliance section, stated that manufacturers whose products he handles have cut his costs enabling him to pass on savings to old

A Message to Note

Read 11 Corinthians 1:1-7
Grace be to you and peace from God our Father, and from the Lord Jesus Christ. (11 Corinthians 1:2).

It was a stormy November day in a town in northern Norway. I made my way toward the hospital to make my regular calls upon the patients and to hold the preaching service there. In the hospital I found the usual silence—and the usual hurry.

Before the service, an anxious mother asked me to see her son who was seriously ill. She told me he was eighteen and wanted to talk to a minister. As I went into his room, the boy's mother left, closing the door behind her. He and I were alone.

I did not know him, but was about to begin speaking when something unexpected happened. The boy turned his face toward me. He smiled and said, "Peace from the Lord." This dying boy, with faith in the Lord, wanted to share with a minister the peace that Jesus Christ had given him.

On a stormy day, in a house of pain and uneasiness, the boy knew the comfort and leavening power of Christ's peace. He passed on to me a feeling of peace, which I carried with me into many experiences.

PRAYER: O God of Love, we thank Thee for Christ's peace. Help us to share Thy peace with those we meet, that it may be the leaven of life to them. In Christ's name. Amen.

THOUGHT FOR THE DAY
In all circumstances, Christ's peace leaves life.
Leif Sevre
(Norway)

Pharmacy Group Elects Officers

The 1961 officers of the Harbor Area Pharmaceutical Association, representing more than 100 pharmacists and pharmacy owners throughout the Torrance and Harbor area elected Art Walton, president this week at the Association's regular meeting at the Hacienda Hotel.

In addition to Walton, new officers include Vern Cross, San Pedro, vice president; Seymour Zimmerman, Lomita, secretary-treasurer; and Paul Abrams, Charles Brinkerhoff, San Pedro; Bill Steinberg, Miss Geraldine Vidovich, Torrance; members of the Board of Directors.

Coloring Process Developed by Local Firm

A new process that may someday mean no more polishing of hardware subjected to salt air, has been announced by a Torrance firm. An entirely new and efficient process to color titanium has been developed by Hi-Shear Corporation, 2600 W. 247th St. The unique process coats titanium in brilliant and uniform colors without the use of harmful dyes or paints. Multi-color can be applied to a single piece of titanium.

The process was conceived by William Greening, Hi-Shear's chief metallurgist, and Norman E. Clegg. The latter subsequently has been assigned to be project manager of the process.

The coloring process features two basic benefits to products. One is resistance to chemical corrosion while the other is the ability to remain color-fast to temperatures to 600 degrees F. and legible after extended exposure to 1000 degrees F.

These two basic benefits make Hi-Shear's coloring process suitable for high temperature name plates and the color coding of fasteners, valves, nuclear reactor components as well as chemical pipes and fittings.

Additionally, many commercial titanium products can be eye appealing as well as corrosive resistant. Colored marine titanium hardware subjected to salt air would not require polishing nor would it pit or rust, officials declared.

Read Psalm 119:97-104
The statutes of the Lord are right, rejoicing the heart: The commandment of the Lord is pure, enlightening the eyes. (Psalm 119:8.)

My forty years of Christian experience have proved to me that the Bible is the chart of life.

As a teenager I had felt the need of a true chart and compass for my life in this world of uncertainty. How grateful I am that through God's mercy I have found in Christ the true captain of my soul and in the Bible the true chart of my life.

Through the tempests of my life my Captain has stood beside me. Whenever darkness encompassed me, my soul was enlightened by the Word of God, and I was led safely to victory.

More than once when brought to the brink of death, I stood on the promise of God and was restored to health and strength.

The Word of God has inspired, strengthened, and guided me when all else failed. I have been troubled much, yet as I knelt before God, the Holy Spirit has been my helper. He has brought understanding and comfort, strength and guidance, as I have turned to the life-giving Word of God.

PRAYER: We thank Thee, our Father, for Thy Word, which is the true chart and compass of our lives. Help us to put our trust in Thee and believe Thy word to be guided by it. In Christ's name.
